

Bridal Services & Pricing Guide

2027

Hello!

I'M KAYLEIGH AND THANK YOU FOR TAKING THE TIME TO ENQUIRE WITH ME!

This guide is designed to give you a little more insight into who I am, the services I offer, and what you can expect throughout your bridal makeup journey. With 10 years' of experience helping brides look and feel incredible, I know exactly how to create makeup that lasts beautifully from the first look to the final dance.

I work with brides, mums, bridesmaids, flower girls, and even the occasional groom! I truly love what I do, and no two weddings are ever the same which is exactly why this job feels so special.

I've been lucky enough to work at some stunning venues all across the UK, and to witness so many beautiful, emotional moments on wedding mornings. It's always an honour to be invited into that space, and I hope I can be a part of your day too.

Thank you again for enquiring. I'd love to help you feel like the best version of yourself on your special day.

Kayleigh x

"Kayleigh did such a beautiful job with our makeup on our wedding day! We all felt so comfortable, confident, and our makeup stayed flawless all day. I learned more about makeup and skincare from her in two meetings than in my entire 30 years! She's truly amazing at what she does and I would not hesitate to recommend! Thank you Kayleigh 💖"

Destination Weddings & Post ceremony top ups

Whilst I have no doubt that your makeup will last all day, some brides like to have a touch up after the ceremony and before those more intimate photos with their photographer. If you're worried about smudged lipply or those happy tears, then this option may be perfect to make sure you're photo ready!

£70

Priced per hour after your ceremony

I normally recommend booking me for around 1.5 hours, which will normally cover your ceremony time, and the top up time for you, and your bridal party if you wish. I would stay at your 'getting ready venue' and await your return, where we would then complete your touch ups.

Some brides like a change of makeup for their evening reception. This would require a price tailored to your day, so please get in touch for a bespoke quote.

Destination Weddings

My aim is to make sure that your dream bridal makeup lasts all day, ensuring that regardless of the hot weather, your makeup looks incredible and lasts all day!

Each destination wedding is so unique and therefore requires bespoke pricing.

Prices start from £600 to include a bride with trial, and 2 bridal party makeups. Trials can take place in the UK if you reside here, or at your location if you are not a UK resident.

Please get in touch for a bespoke quote for your destination wedding.
